GREAT DISPLAYS, PRODUCTIVE EVENTS

Shows, Events, and Demonstrations are an integral part of selling equipment. We believe 100% in these labor-intensive efforts and have invested heavily so we can provide not only the design and promotional ideas, but also the muscle, construction, rental, and execution of displays and events nationally and internationally.

We've had as much as 90,000 square feet under contract during the ConExpo show and as little as 200 square feet at the Extemin mining show in Arequipa. We are also a dealer for a variety of tradeshow materials and collapsible displays, and we store and manage those displays for clients, shipping them to dealers and sales representatives as their annual needs dictate.
